## Tahoe

The Tahoe opens to a large family room with a dramatic cathedral ceiling. The fireplace is centered to greet visitors as they enter the front door from the broad porch. The kitchen opens onto the dining area and has a convenient pantry in the adjacent utility room. The access through the utility room makes it the perfect mudroom and makes grocery unloading a snap. The large master bedroom, separated from the other two for privacy, has his & hers walk-in closets, a luxurious garden tub and stand-alone shower.

1,572 sq. ft.
