The Southern Belle offers all that you've come to love about the South. The large wrap-around porch and faux dormers give the home a charming appeal. The floor plan features a large kitchen with plenty of counter space and access to the porch. The family room includes a fireplace and also opens to the dining area, perfect for entertaining. Retreat to the master suite which has an enormous closet, big enough for an extensive wardrobe, and a sizable en-suite bathroom. The additional bedrooms are the same size and the bathroom they share has a dual vanity so that more than one person can get ready at a time.
