Plantation II

The Plantation II offers flexibility to fit your lifestyle. The room to the left of the foyer could be used as a formal living room, dining room, study or additional bedroom. The large utility room, also off the foyer, could serve as a convenient mudroom. The family room features a dramatic cathedral ceiling and fireplace. The open kitchen has a conveniently located pantry and overlooks the breakfast or dining area. A garden tub, separate vanities and two walk-in closets can be found in the spacious master suite.
