## Bradford

The new Bradford is beautiful—three gables, high pitch roof with architectural shingles, lighted front porch, huge windows with decorative shutters, oval glass front door, classic brick construction. The Bradford is big and extremely versatile. The bonus room performs as a formal dining room, living room or study. The family room is enormous with its cathedral ceiling and wood-burning fireplace. The spacious kitchen has a generous pantry and large utility room. The master suite has his & hers walk-in closets, a beautiful garden tub and stand-alone shower.
