## Canterbury

The Canterbury's large family room comes with cathedral ceiling, wood-burning fireplace and atrium door to the outside. The study or living room provides flexibility for your personal lifestyle. The dining room is adjacent to a large, open kitchen that makes meals convenient to prepare and serve. The master bedroom will accommodate your furniture with plenty of room to spare. The master bath features walk-in closets and garden tub. A shaded front porch, fashionable 7/12 high pitch roof and all-brick exterior create a warm, traditional appearance.
